### Late August

By Ency Bearis

Heat still sizzles in the fields  
In August summer still yields  
The sun shines to no regret  
Wind sauntering 'til sunset

'though heat is being cool off by the rain  
Preserving flowers, and meadow - green  
But summer still taking what it brings  
The August incense with fugacious wings

Bounty blooms, butterflies, bees are insane  
Birds, crickets sing and the night listens  
Summer's sky, bright burst so clear  
It's the late August in summer's fair

Summer in August still in standby  
Sooner balmy weather is coming by  
The hot temper will bicker with cool air  
With soothing breeze here comes September
