ACTIVITY CALENDAR

A Child's Wish for Christmas

Linnea E. Reed

I wish there were a giant Christmas tree
 So tall its lights would shine around the earth
 For all to see the happy and the sad,
 The poor and the humble, those of royal birth

The Christmas star would be there at the top;
 Its glorious light would melt the coldest heart,
 Make men forget their hatreds and their greed.
 Clasp hands in friendship and from wars depart.

This world would then the Christmas story share
 And know the joy that came to Bethlehem
 That night, when Christ the Lord was born
 The Prince of Peace. God's gift of love to men.
