

## **General Outdoor Visitor Guidelines Manors**

- ✓ **We are encouraging General Outdoor Visitors to call the home and home area prior to visit so residents can be prepared. Additionally, we are encouraging Essential Caregivers to assist in coordinating these visits.**
- ✓ **If they pass screening, the screener will connect with the home area by phone to have resident brought down.**
- ✓ **Residents must be encouraged to wear masks as tolerated.**
- ✓ **General Outdoor Visitors must wear mask at all times during visit and adhere to social distancing. This will be monitored by oversight. Failure to comply may result in cancellation of visit.**
- ✓ **There is no visitor limit, however the home may be required to limit the number of visitors if there is a health and safety concern or capacity issue. Those under 14 years of age require a parent. Those under 2 years of age are not required to wear a mask, and do not count as a visitor.**
  - \*\* We appreciate everyone's patience with these changes, as always, we continue to follow the guidelines set out by the MLTC and Public Health \*\***

### **Outdoor Visiting Procedure – Grace Manor**

- ✓ General Outdoor Visitor(s) to make their way to back door of Grace Manor (by Atrium Patio) to complete active screening.
- ✓ You will be greeted by a screener, please let them know who you will be visiting. They will call the resident home area to have resident brought down.
- ✓ The screener will then will review questions, and provide you a new mask.
- ✓ General Outdoor Visitors are only permitted to visit in the Atrium Patio. Essential Caregivers are permitted to take resident to other outdoor spaces.
- ✓ Once screening is passed resident will be brought outside to visiting area.
- ✓ Once visit is complete, please bring inform screener who will then porter resident back inside and to their home area.
- ✓ Please disinfect chair and space used prior to leaving.
- ✓ You are not required to screen out.
