Pathway to Recovery

Monthly Communication - Grace Manor
July 2021

Dear Residents and Families,

Welcome to the second addition of our Pathway to Recovery Plan Monthly Communication. Our goal is to continue to support resident wellness, and share some feel good stories through our Journey of Recovery together.

Preparing Our Gardens

Horticultural Therapy is a proven professional practice using plants and gardening to improve both mental and physical health. The residents at Grace Manor have been busy planting and maintaining the gardens both at Grace Manor 1 South, the Atrium Patio, and the balconies on each home area!

Rogers: “Identifying Digital Needs of Residents in Long-Term Care Homes” Study

Our residents have completed their participation in the Rogers Study. Over the course of the 6 weeks, residents became more comfortable using the tablet and applications. Feedback from residents so far has been quite positive.

BBQ DAYS

With summer in full swing, we so excited about getting out and enjoying the glorious weather! Each resident home area gets to enjoy a BBQ lunch in the Atrium Patio area.

Seniors Month - Celebrating Sports

We celebrated Seniors Month in June. A resident and staff favorite was Sports Day! We clearly have some Blue Jays fan's at Grace Manor!

Celebrating New Faith Manor

On July 15, 2021 our sister's at Faith Manor made the move to their new home. Faith Manor Family Council donated gift bags for all Faith Manor residents to celebrate the move, and also generously donated one for each Grace Manor Resident to celebrate with them! Our residents watched the move live on Chanel 990.

Reintroducing Volunteers at Grace Manor

We are so excited to reintroduce volunteers into Grace Manor. We have been waiting for this moment over the past year and half and are so happy to welcome volunteers back into our home! If you or someone you know is interested in volunteering at either Grace or Faith Manor, please contact Raji Syan at 905-463-7002 ext. 5225 OR Raji.Syan@hch.ca.
