

# Pathway to Recovery

Monthly Communication – Faith Manor  
November 2021

Dear Residents and Families,

Welcome to the November addition of our Pathway to Recovery Plan Monthly Communication. Our goal is to continue to support resident Wellness, and share some feel good stories through our Journey of Recovery together.

Faith Manor Activation team welcomes fall with a pumpkin parade! Residents were able to help decorate pumpkins and show off their creativity!

## Special Thank You to our IT Department!

Sam and Ben from our IT team were able to create a ZOOM Cart to assist with connectivity for our residents and families!

## Snapshots from Activities!

Our residents frequently enjoy the flower arranging activities offered on the home areas!

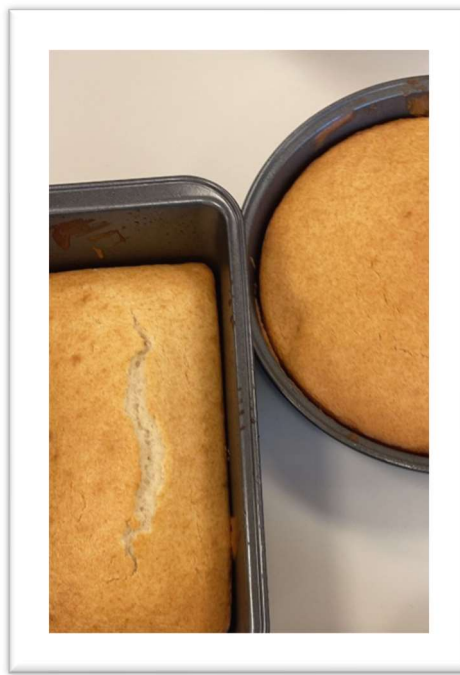

### **Break making at the Manors!**

Resident are able to enjoy the fresh smell of bread backing on the home areas!  
Yummy!

## Wishing Well Program at Faith Manor Through Family Council!

### **You are never too old to have a wish come true!**

One of our residents from Faith Manor made a very special “Wish” to the Faith Manor Family Council, before his passing, to have a quilt made for his grandson.

We were able to get the specially made “Wish Quilt” and matching teddy bear with a letter explaining how Grandpa’s Wish had come to be and how much love was in that Wish for little one.

We are grateful to have received donations to purchase the gift of music to our residents on all home areas! Keyboards were donated by family members and we were able to have them assembled and now our residents are able to enjoy them being played!
