

Pathway to Recovery

Monthly Communication - Grace Manor
November 2021

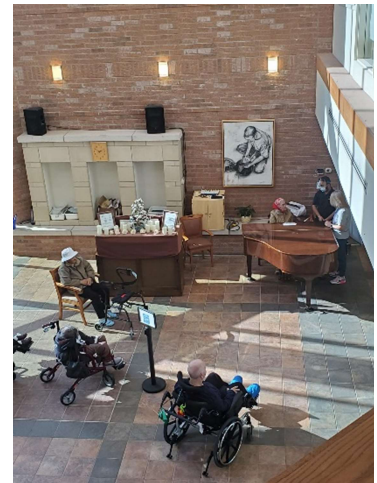

Dear Residents and Families,

Welcome to the second addition of our Pathway to Recovery Plan Monthly Communication. Our goal is to continue to support resident wellness, and share some feel good stories through our Journey of Recovery together.

Hallelujah! Breathing Life Back Into Our Atrium!

After almost 2 very long years, we are so excited to share our Atrium is open again for resident programming, and family visiting. While we still are required to adhere to Directive #3, and Public Health Guidelines (Cohorting of groups for programming, Social Distancing, Masking, Enhanced Cleaning), we are truly celebrating these moments as small gifts. Check out some of our residents providing piano background music for Hymn Sing in the Grace Manor Atrium.

God is good!

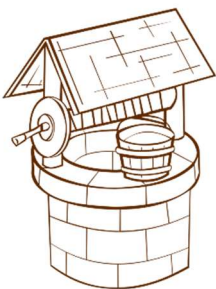

The Great Pumpkin Parade!

Our residents were working hard in collaboration with our Activation team decorating pumpkins in preparation for the Pumpkin parade, where all finished products were brought around all resident home areas for residents to enjoy!

Wishing Well Program

We are encouraging all residents, staff and family members to participate in our Wishing Well Program. You will find a wishing well in the atrium of Grace Manor. If a resident (whether your loved one or not) shares a wish with you, please put into this well. Our Family Council collects them on a monthly basis and decides on a potential WISH to grant for our residents !

A Special Thank You to Our IT Team and Justine!

As you are aware, over the course of the past almost two years, our team has had to continue to pivot and adapt to changes. Whether changing directives, visiting policies, restrictions etc. Our AMAZING IT Team, and Director of Programs and Services have got creative to ensure residents can maintain connection, despite having to adhere to cohorts. The team developed an IT Zoom Cart that can be brought to different home areas. This cart is equipped with a large TV Screen and WIFI Capability so as to ensure no dropped calls! This cart has been essential in ensuring Residents Council is able to meet within the manor, as well as in helping maintain connections within the HCH Community. Thank you, Thank you Thank you to our amazing team for their creativity in keeping our residents connected!
