**MEMO:**

**Regarding: New Moderna Vaccine**

**Distribution: ALL FAITH MANOR RESIDENTS AND FAMILIES**

**From: Aleksandra Grzeszczuk**

---

**Dear Residents and Families,**

Last Thursday, Health Canada approved the Moderna / Spikevax COVID-19 bivalent vaccine, which offers more targeted protection against the Omicron variants.

In preparation to get us ready to administer the vaccine to our residents and your loved ones, we are asking that you provide consent by filling out one of the consent forms that [can be accessed here](#) or pick up a copy from the swabbing clinic during your visit to the home. Signed consent forms can be given to the nurse on the unit, or sent via email to [romayne.manners@hch.ca](mailto:romayne.manners@hch.ca).

Thank you for your cooperation.
