Lynn stated she would reach out to GM’s council to inquire. ● Wishing well: Jody informed council of x1 ballot that came forward. As mentioned in May’s meeting, when the swiss chalet dining in is offered next, FC will pay for this request. Jody will contact family to notify them, staff will take pictures. (June 22-tentative date) Jody will also document in the resident’s chart. ● RAPS Subcommittee Program-update to Music and memory program. Staff received their training May 16/17-we have ordered the supplies and this will focus mainly on first floors at each manor. Jody indicated having discussions on outdoor programs with staff and identified areas that would be most beneficial. FM has a unique layout and it is a challenge to get residents out. We have discussed various options at our RAP committee mtgs and staff are aware of their options and help/assistance to do so. Jody also shared that we had members of the buccaneer’s hockey team come by end of April and did floor visits and room to room. Was really enjoyed by residents and we captured some great pictures! We also had 18 students from Kings Collegiate Christian Institute come and do floor visits, have 1:1 discussion for their school project and also engaged residents in games. They were sent off with snacks and a thank you for being part of HCH! ● Open Discussion: Member stated the one poster needs updating in the elevators and board in the link. Jody will look at updating and replacing it with a current one. Some minimal discussion with new entry codes. Just use your old one for now if it doesn’t work or let a staff member know so it can be corrected. There were a lot of glitches to work through and maybe the occasional one moving forward. Jody also asked members how they felt about meeting in person and members stated that if it went to that, they would have to decline being members as some work during the day and travel is an issue for some. Jody said we will continue with the teams virtual set up. Mealtime devotions every tues/Thursday now-added to calendars. In addition, on occasion the church bulletin doesn’t get to resident room as the volunteer
