New Canadian Dental Care Announcement

Dear Families,

We are writing to inform you that last month the government made an exciting announcement about a new Canadian dental care plan to be rolled out this year. Currently our residents only have free screening coverage and this new dental care plan the government is announcing will provide free dental care for those who apply and qualify.

In mid-December 2023, letters were mailed by the government to seniors aged 87 and above who qualify, followed by those aged 77 to 86 in January 2024, then those aged 72 to 76 in February 2024 and those aged 70 to 71 in March 2024. These letters will include a personalized application code and instructions on how each resident or POA can apply directly for this free dental care coverage. For more information, you can visit their website at: [Canadian Dental Care Plan - Canada.ca](http://CanadianDentalCarePlan-Canada.ca)

Sincerely,
