RE: King Tower Elevator Replacement Work – Beginning
January 12, 2026

.....

Dear King Tower Tenants,

Please be advised that elevator replacement work in King Tower will begin on **Monday, January 12, 2026**.

The project will be completed **one elevator at a time**, with each elevator requiring approximately **six (6) weeks** to complete. The estimated conclusion of the full project is **early April 2026**.

During this period:

- Elevators undergoing replacement will be out of service.
- **The working elevators will not be available to put on service for move-ins or move-outs** at any time during the project.

We appreciate your patience and cooperation as we complete this necessary improvement. Additional updates will be provided as needed during the project progresses.

Thank you,
Management
